

The winning combination for Champion heifers!

Femininity™ and CircQlate™ have made some truly amazing strides in the livestock world, and when something works, people do notice. Femininity™ gives your heifer a strong triangular conformation and a clean neckline, and CircQlate™ improves circulation and helps speed nutrients to every cell of your heifer's body. The result is a heifer with extremely strong feminine characteristics while exhibiting exceptional bloom, growth, and balance.

And now, these two premier feed supplements for cattle have been blended together in one pelleted supplement that is convenient to feed, and delivers Champion results FAST! Femulate™ delivers all the benefits of Femininity™ and CircQlate™ in one six ounce scoop per day.
