

HOME STRETCH

Feed Home Stretch™ to your wether the last 20 to 30 days before Show for serious results. You will see noticeable changes in your animals within 5 days, and you will just be amazed at what it does. Need more mass? Use Home Stretch™! Lacking in loin or rack? Use Home Stretch™!

Home Stretch™ combines several Oxy-Gen® technologies and incorporates cutting edge nutritional technology to be the superior additive on the market. This product was designed to be the safe, natural, and completely drug-free, so it will not test at Shows.
