

# Now she's Royalty!

**Solution Genetics owns a heifer that just won the Triple Crown- Grand Champion Red Angus Heifer at NAILE, the National Western, AND the Fort Worth Stock Show. This heifer was bred and raised solely by Solution Genetics, and they are selling 1/2 Embryo Interest in her at the Red Event 1 Sale at Deshazer Cattle Company's Ranch in Hearne, TX on September 15, 2007. This calf has been fed CircQlate™ since she has been weaned.**

**Also in this prestigious court are the Martin sisters, Chama and Sierra. Chama won the Grand Champion Junior Meat Goat at Denver, and Sierra won Grand Champion Junior Market Goat at Fort Worth a month later. The Martins are both long time customers and long time friends.**
